Clients we work with:

National Fisheries Development Board

OWAISI HOSPITAL & RESEARCH CENTER

The India Cements Ltd

UNICENT INTERNATIONAL SCHOOL
Est. 2009

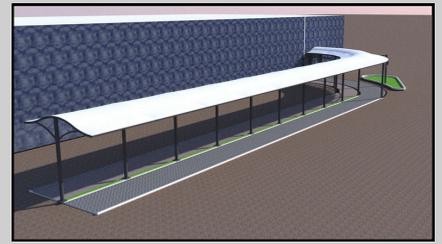

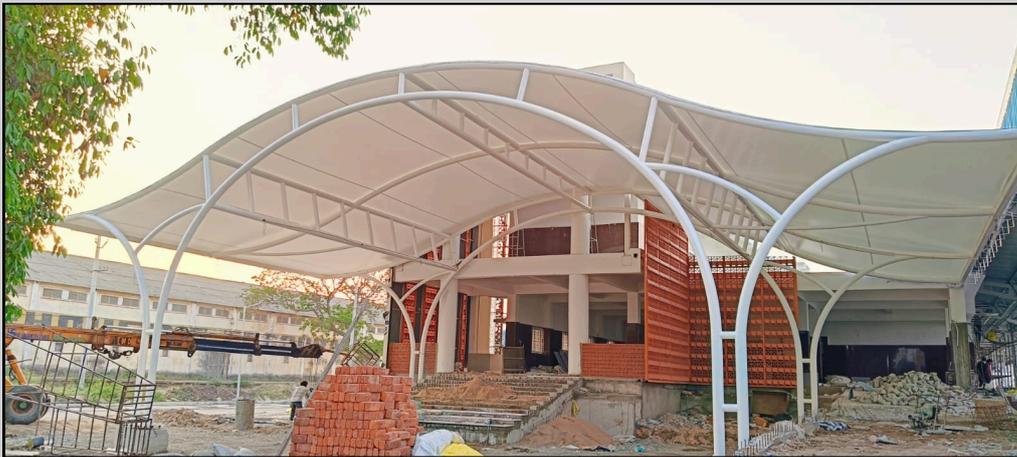

and many more valuable clients.....

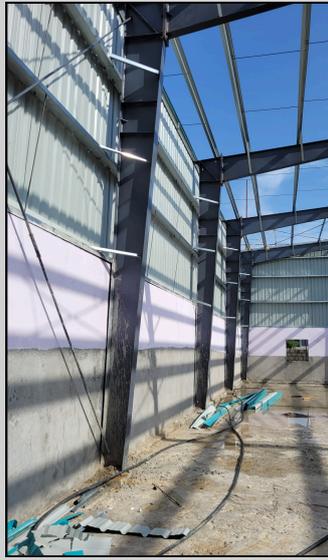

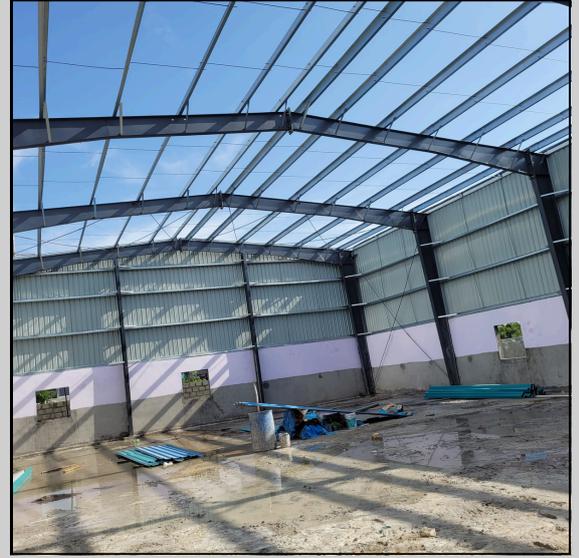

Services We Offer:

- Pre-engineered Buildings(PEB's) for Domestic/Industrial Purposes.
- Heavy Structural Works.
- Tensile Structures.
- Solar Structures with solar panel Installation.
- PUF Panel Rooms and Clean Rooms.
- AD Spaces Infrastructure.
- ACP Panelling.
- Pre Manufactured Units/Houses.
- Container Boxes For Office/Domestic Use.
- Gates and Railings for Domestic/Industrial/Office Purposes.
- CNC Precision Cuts & Parts
- Louvers and Gratings

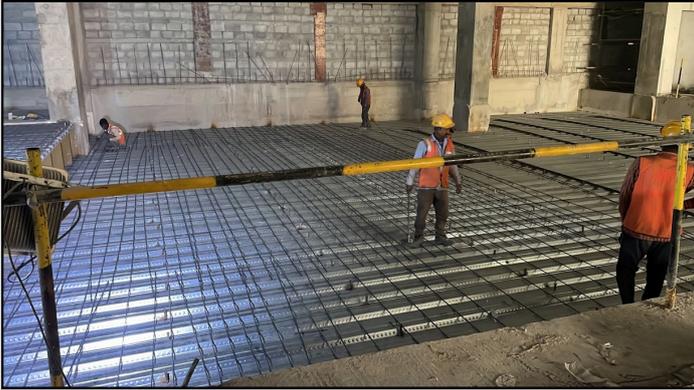

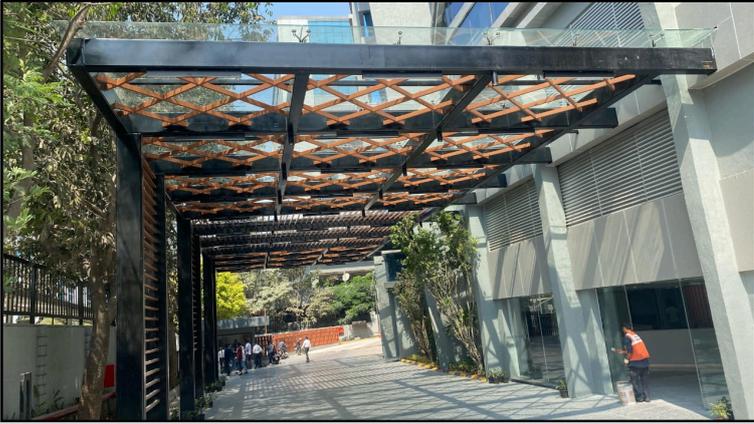

Tensile Structures

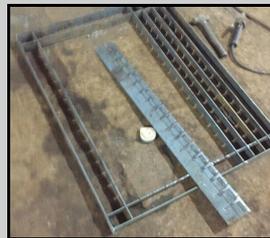

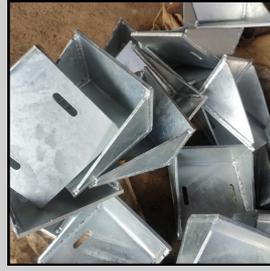

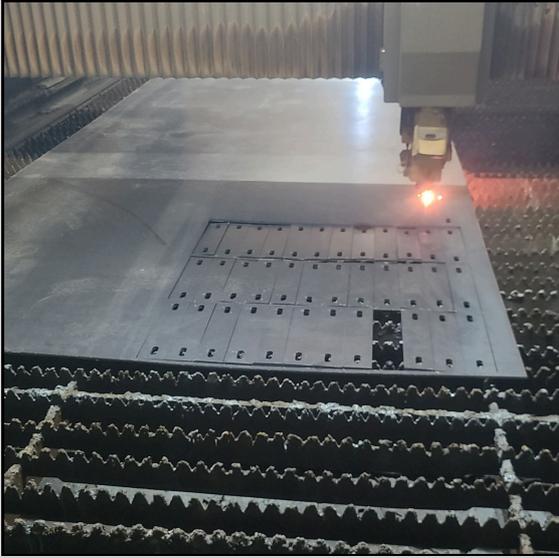

Pre-engineered Buildings(PEB's)

Heavy structural works

CNC Precision Cuts, Louvers and Gratings

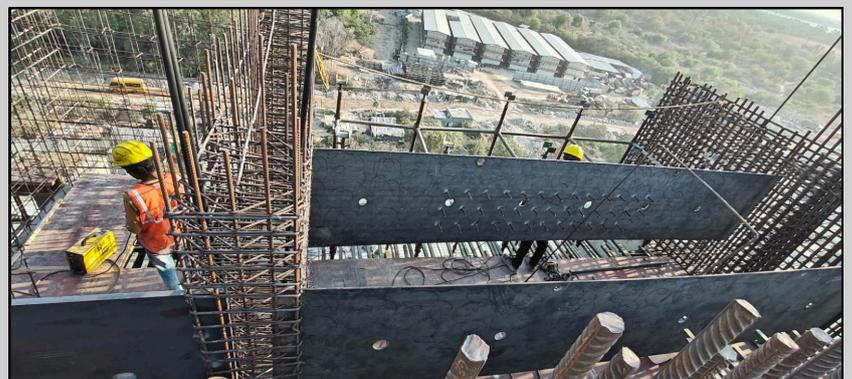

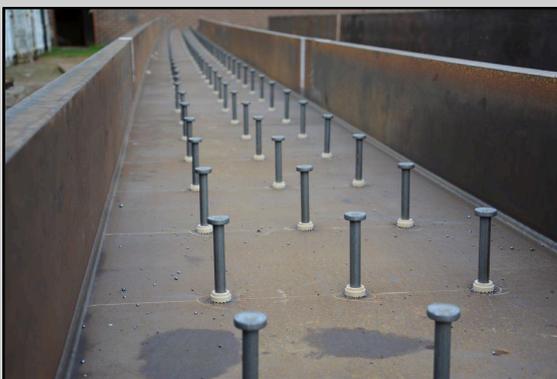

Solar Structures with solar Panel Installation

- Durable and reliable structures for solar panel setups.
- Complete solar solutions with panels from trusted partners.
- Helps you save on electricity bills and go green.
- Custom designs for homes, industries, and rooftops.
- Quick, safe, and professional installation service.

MS Plate fabrication with stud rods for structural strength in high rises

- Enhances load-bearing capacity and overall structural strength
- Provides superior shear resistance and prevents material slippage
- Ensures strong bonding between steel and concrete for composite strength
- Improves stability and rigidity under vertical and lateral loads
- Increases seismic resistance for earthquake-prone locations
- Durable and long-lasting connection system with minimal maintenance
- Ideal for critical joints in high-rise and heavy-load structures
- Enhances safety and performance for modern vertical construction

Ad space Infrastructure

- Strong, durable structures for hoardings and billboards.
- Precision fabrication for lasting performance and safety.
- Quick installation with a clean, professional finish.
- Weather-resistant designs that keep your brand shining.

PUF Panel Rooms (Clean Rooms, Silent Rooms)

- PUF Rooms: Durable, insulated panels ideal for cold storage, clean rooms, and industrial use.
- Energy-efficient design ensures temperature control and cost savings.
- Silent Rooms: Soundproof enclosures for offices, studios, and industries.
- Custom-built, sturdy, and sleek, offering noise reduction and lasting durability.

*“At **EDHAS INFRA** we treat every project whether it’s big or small as our own project and ensure that quality isn't compromised along with providing a fast and reliable service. We ensure customer is fully satisfied with our service, cause at the end of day that's what matters ”*

- Managing director
